

The Mansfield Rotary Club presents:

An Open Forum Discussion

MHS Auditorium
Monday, March 26th
7-8:30 pm

Moderated by Superintendent **Teresa Murphy**, the panel will include *Mansfield Police Chief Ron Sellon, Mansfield Fire Chief Neal Boldrighini, Medical Control Doctor, Norwood Hospital Mike Valkanas, SAFE Coalition President Jim Derick and Wrentham District Court officer and SAFE Coalition Director Steve Spiewakowski.*

Learn about the **SAFE Coalition** and their work with the Mansfield Police and Fire Departments.

In the cafeteria, **Bristol County District Attorney's Office** will have relevant information as will the support organization **Learn to Cope**.

For parents and adults over 18, an extremely interesting interactive display, Hidden in Plain Sight will be set up in the Cafeteria.

Hidden in Plain Sight is an interactive mock teenager's bedroom that is designed to educate parents on various hiding places when a teen is misusing or experimenting with drugs or alcohol. It also points out some peculiar but not so obvious things that might be found in their room which could be warning signs that your child is struggling.
