### **AM Announcements**

Girls Who Code will hold their first meeting on tomorrow, October 16th in Room 177 - all are welcome! Don't let the name confuse you - you don't need to know how to code, you just need to be interested in meeting new friends and learning about computing. See Mrs. Jarvis or Ms. Sclafani with any questions.

MHS Multicultural Club is back. ROOTs will be meeting in room 288 on Thursday, October 17<sup>th</sup>. If you are interested in joining, please come on October 17<sup>th</sup> to learn more. Everyone is welcome. Posters are all over the school to join our Google Classroom. See you then!

Impact testing will take place on Wednesday, October 16<sup>th</sup> at 2PM in Room 115. There is NO late admittance! The next testing date is October 23<sup>rd</sup>.

The Science Olympiad team is meeting today in Room 228.
