

Hello Parents / Guardians of MHS Freshman, Sophomores and Juniors,

The Senior All Night Party Committee needs your help!

The ANP, which will be held on Friday May 24, is a fun and safe place for the graduating class to celebrate the culmination of their four years together with live entertainment, food and activities. The ANP is sponsored by the parents of the Senior class, but Senior parents are not allowed to chaperone the event.

That's where you come in!

Please volunteer to chaperone part of the All Night Party. This job requires a small time commitment the night of the Party, a willingness to accept the assigned hours, and a fabulous opportunity to observe the workings of the Party and help at the same time. This is the perfect job to do with a friend or spouse and a wonderful introduction for parents of underclassmen to the All Night Party. During the 3 hour shift between 11 pm and 5 am you may be assigned to assist with the games, monitor the doorways, put out food, while at the same time enjoying the environment and watching the graduates have fun. If you wish to sign up as a chaperone or have any questions, please contact Jen Walsh (mhsallnightparty19@gmail.com).

THANK YOU!!!
All Night Party Committee
