Treasurer: Rachel Goldman
Vice-President: Danielle Golub
President: James Murawski

Class of 2025 Class Officers
Secretary: Shaili Desai
Treasurer: Alex Radchouk
Vice-President: Marco Geminiani
President: Patrick Haley

Students that selected AP Environmental Science as a course for next year, please check your school emails for an important notice. There will be a mandatory meeting immediately after school on Thursday, May 26th in room 208. Please mark your calendars and listen for upcoming reminders. It is important that students planning to take AP Environmental Science attend this meeting as summer work will be handed out.

The Class of 2024 is selling Dairy Queen coupons at lunches this week. Beat the heat with this great deal! Cost is 1 for \$2 and 3 for \$5. Please support the Class of '24!

The High School Quiz Show Team will meet today at 2:00 in room 227. All members of the club should make every effort to attend as we will be bidding farewell to our stellar seniors.
